

# FamilyRead at Muir Library

## February 2018

**Challenge: Read together for 15 minutes per day for 15 days in February!**  
**Color a heart on the calendar on each day you read together.**

*We define “reading together” as reading a book aloud (as a family), listening to an audiobook (as a family), or reading independently but sharing the same space as a family. This truly is a program for families of all sizes and ages.*

### **How do we sign up?!**

Sign-up between January 29 and February 9.
